independent evaluation of the art. By filing this Information Disclosure Statement, the applicants are not admitting that any reference actually qualifies as prior art, and applicants reserve the right to argue that any reference does not qualify as prior art should they deem it necessary to do so. Copies of the following references are provided:

Putnam, United States Patent No. 6,138,079

Haines et al., United States Patent No. 6,385,473

New, Jr. et al., United States Patent No. 6,494,829

Cosentino et al., United States Publication No. US 2001/0056229 A1

Geva, United States Publication No. US 2002/0128804 A1

No fee is believed to be required in connection with the filing of this Information Disclosure Statement under 37 C.F.R. §1.17(p) since it is being filed in compliance with 37 C.F.R. §1.97(c), after the mailing of the first Office Action but before the mailing date of a final action or a Notice of Allowance in the above-captioned application. I hereby certify that no item of information in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application, or, to my knowledge, after making reasonable inquiry, was known to any individual designated in §1.56(c) more than three months prior to the filing of this Information Disclosure Statement.

Applicants believe that their SYSTEM FOR MONITORING HEALTH, WELLNESS AND FITNESS as described and claimed in the present application is neither

taught nor suggested by this art. Accordingly, applicants' invention is believed to be patentable over these references.

Respectfully submitted,
